

One of the
BEST ZINS OUT THERE

2003 Bella Lily Hill
Estate Zinfandel
Dry Creek Valley

I discovered Bella a few years ago and was glad to find a Zin specialist with a real commitment to vineyard terroir. Bella's estate has produced a wonderfully dry Zin as rich and balanced as a classic Cab, with Zin's briary, brambly fruit. This is really one of the best Zins out there now. — S.H.
