The Juice

FRIENDS OF BELLA

The Bella Interns! It's that time of year again when we need a little extra help sorting and crushing this amazing 2017 vintage! We'd like to introduce this year's team; **Alex Péna**, our intern in charge! This is his 2nd harvest with us after coming back from a stint in New Zealand. Also, we have **Miles Anderson**, Born in Truckee, California, now living in Healdsburg. Miles loves working in the lab this year - a chemist in the making! And last but not least, **Doug Hogan**, from Moscow, Idaho. His favorite harvest job is getting his hands full of grapes and cleaning tanks! Doug is planning on going back to school at University of Idaho in the winter. What a great team we have this year!

Our October add-on is an exceptional Zin - The **2015 Rock's Edge!** Powerful, rich, dark, brooding, with an incredible velvety texture – this combines our two favorite barrels from the legendary Rockpile appellation.

We are also thrilled to release two incredible wines for October's Wine Club. The **2014 Hills & Benches zinfandel** is a delicious blend of grapes from our estate property, Lily Hill, and the Jack Florence vineyard. Bright and fresh, the Hills & Benches zinfandel displays layers of plum, strawberry with a deliciously rich, round finish. We are also so proud to release the latest vintage of our flagship wine - Lily Hill zinfandel! **The 2015 Lily Hill** has classic Dry Creek flavors of blackberries, black cherries, licorice, and exotic spice. This wine offers a rich and silky finish that you won't soon forget!
