Hard Press from Bella

Juliann Markos Have you ever called Bella on the phone and heard the warmest, most caring and helpful voice you could ever imagine...that's Juliann. Not only is she the mom we all wished we had, but she has a new role here that she loves as our Marketing and Compliance Coordinator. We are all so excited that she has expanded her loving touch creating connections with our winery partners and neighbors, helping to make Bella a wonderful part of the community! In addition to that, she loves making connections with you, our wine club...ensuring that your wine shipment gets to you when you want it, and how you want it! Every once in a while you'll also find Juliann in the tasting room sharing the Bella experience with everyone.

We are so thrilled to release three wines for April's Wine Club that we know you'll love! The gorgeous **2014 Maple Annie's zinfandel** – full of ripe blackberry and cedar with a rich, mouth-filling, lingering finish. The **2014 Belle Canyon zinfandel** – rich and vibrant black raspberry fruit flavor with luxurious notes of cocoa and cinnamon on the delightfully bright finish. And the **2012 Ru's Farm pinot noir** – a lush, ruby-colored pinot with delicious bing cherry, cranberry and spice on the finish.

We hope you enjoy these wines as much as we enjoy sharing them!
